Principal’s Message:
Welcome Back
Welcome back to term 4 of 2015. I hope everyone had safe and happy holidays and are well rested for the term. This term is going to be a busy term and full of lots of exciting things. Please remember if you have any queries about anything, please call the school and I’m happy to meet with you.

Markets
The markets are fast approaching, only 2 weeks away. Can I please ask all parents to start cooking for the P&C cake stall. Cakes etc can be brought to school on Friday 16th October. I have also attached flyers for each family (can you please letterbox drop these around your area or another local area). If you require more flyers, just let me know. We are now down to 2 parents helping on the day, so if you think you or a family member may be able to assist with the BBQ or Cake Stall, please let me know as soon as possible.

Bathurst Fossil Museum– Excursion
On Monday 12th October, we will be travelling by private transport to the Bathurst Fossil Museum. We will be meeting Capertee Public School there to continue our studies of Dinosaurs. In week 4, we will be having another joint excursion to Sydney, details to follow later. Please return your money and permission notes as soon as possible.

P&C Meeting
Our next P&C Meeting will be held on Monday 12th October at 3.15pm. This will be to ensure we have completed everything that needs to be done for the markets.

School Bikes
The students have had a ball riding the new school bikes and trikes and have realised it is actually quite hard work riding on the grass. The students have shown great care and responsibility when using the school bikes and have found them a great addition to the school’s equipment.

School Swimming
School swimming has tentatively been booked in for weeks 8 and 9 this term, more information to follow.

Cathy Away
Cathy is away on holidays until the beginning of week 3, so in the meantime I will do my best to ensure everything runs as smoothly as possible.

Have a great week and term,

Belinda Greer
Relieving Principal
**Gallery Visit**
At the end of last term, we visited the Bathurst Regional Art Gallery. This was a great day as we got to see the Beanie exhibit and the Holtermann Collection. We also got to learn how to French knit, see the Glass house and the Dinosaur Adventure Park. “I liked the french knitting best” Tassie, “The beanies were my favourite” Sasha.

**Chicken Scraps**
Please continue to bring in any chicken scraps you may have, they enjoy anything extra they can get.

**Roald Dhal Chocolate Factory Day Success**
On the last day of term, the students celebrated the novel we studied, “Charlie and the Chocolate Factory” by creating their own creation of chocolate, some included gummy bears, popping candy, clinkers, red frogs, snakes and marshmallows.

**Veggie Garden**
We had a visit from Bunnings Lithgow, who donated a new spring veggie garden. The students enjoyed planting and watering the veggies and can’t wait to use them in our cooking.
